Happy Planet Launches New Fresh Organic Raspberry Iced Tea

Refreshing taste and more goodness for consumers

Just in time for the warmer weather, Happy Planet - makers of the #1 selling fresh organic lemonade in Canada – is launching the perfect complementary refreshment; **fresh Organic Raspberry Iced Tea with Lime.**

This newest addition to Happy Planet’s organic beverages is made with a delicious blend of natural brewed black tea and raspberry and a hint of lime for added refreshment. Together with their fresh Organic Lemonade, they truly capture ‘Summer In a Bottle.’

Not only do they burst with refreshing taste, they deliver the goodness that consumers are seeking; fresh, organic and free from any preservatives and artificial ingredients. Plus their fresh Organic Lemonade contains less sugar and calories than the leading shelf-stable and non-organic fresh lemonade brands.

Happy Planet’s new delicious dynamic duo – fresh Organic Lemonade & Organic Raspberry Iced Tea 1.5L – are sure to be consumers’ go-to refreshments this spring and summer. The pair will start appearing on store shelves in grocery stores across Canada at the beginning of May.
